

LAS OLAS BOULEVARD DRAINAGE IMPROVEMENTS PROJECT IN FORT LAUDERDALE

Project Overview

The Florida Department of Transportation (FDOT) has awarded a \$280,209.44 contract to Roadway Construction LLC for improvements along Las Olas Boulevard from Isle of Capri Drive to west of the Intracoastal Waterway in Fort Lauderdale. Construction will begin June 18, 2017 and will be completed in approximately two months.

Project Improvements

- Cleaning drainage pipes and installing liners as needed
- Installing flap gate valves at eleven locations along Las Olas Boulevard from Isle of Capri Drive to west of the Intracoastal Waterway to keep water from flowing out of the inlets and onto the roadway

Traffic Impact

- Construction work activities and lane closures can be expected as follows:
- The outside lane in each direction of Las Olas Boulevard from Isle of Capri Drive to the Intracoastal Waterway may be closed Monday through Friday between 7 a.m. to 6 p.m.
- Specific lane closure information will be provided in the weekly traffic report distributed by FDOT.

Project Updates

The project team will be distributing periodic updates. If you would like to receive project updates by email, please email ddiaz@corradino.com
